## Sweet Tea Collins

*from Food Network Magazine, April 2012*

**Serves 4.** The sauce is a splendid example of the hot, spicy, and sweet combinations which are a thrilling feature of North African cooking. Serve it cold with bread.

1/2 cup T's Bees Honey  
1/2 cup mint  
1/2 cup water  
1 black tea bag  
Bourbon  
Lemon juice  
Seltzer

Bring honey, mint and water to a boil, stirring. Off the heat, add tea bag; steep for 30 minutes. Strain and chill.

For each drink, pour 2 1/2 oz bourbon, 1 oz lemon juice and 1 TBSP of tea mixture in shaker with ice; shake. Serve over ice and top with seltzer. Garnish with lemon and mint.
